

Atlas Farm 2010 Market Share Program

What is it?

The market share is a pre- buy program where your payment acts as a credit at our farmers market stands at Copley Square (May through November , Tues.& Fri., 11-6) and Amherst (May through November, Sat., 7:30-1:30). Simply shop as you normally would and we'll record your tally. Purchasing a share before the season connects farmer and consumer in a mutually beneficial relationship.

How much does it cost?

There are 3 options:

\$90 buys \$100 worth of produce

\$250 buys \$300 worth of produce

\$500 buys \$600 worth of produce

What do I get with my share?

In addition to a discount, as a market share member you will receive more discounts on certain items throughout the season and a newsletter with recipes, news and veggie tips.

Program Details:

The market share is non-refundable. Pre-payment is required to secure your share- fill out the form to the right and mail it in with your check. We will send you a confirmation upon receipt. Use your credit at either of our market locations- Copley Square or Amherst.

The market share makes a great gift! Choose the denomination and we'll send you an artistically drawn gift card for your special someone to redeem at our market.
